Date: 23 October 2025

Dear Sir,

Britten-Norman Aerospace Limited Production Organisation Delegation of Authority to ROMAERO SA

This letter and statement of authority is issued by UK.21G.2740, as the PO Holder sub-contracting to ROMAERO SA and finds that ROMAERO SA is approved and authorised in all regards to carry out production and manufacturing as a sub-contractor to our POA including the use of all required data and supporting data, specifically, BNDS 006 Heat Treatment process.

BN POA finds this approach acceptable and will review these arrangements at an appropriate time that will include a follow-up onsite audit that will continue to provide assurance this remains acceptable to all parties or will recommend other improvements and changes as necessary.

Regulatory Reference(s): *UK CAA Part 21, 21.A.139 (d) 2 (ii) requirements found equivalent in the Production Management System of ROMAERO SA in EASA.*

Yours Sincerely,

Ken Chapman
Compliance Monitoring Manager and Head of Compliance
